AGENCE POUR LE DEVELOPPEMENT AGRICOLE

SUPPORT TO PILLAR II OF GREEN MOROCCAN PLAN

French Development Agency

OBJECTIVES OF THE PROGRAM

- the reduction of rural poverty and the vulnerability of farmers to economic and environmental hazards,
- the development of agricultural value chains for supplying domestic markets and exporting value-added products , conservation of natural resources and anticipation of climate change.

INTERVENTION ZONE

Three (3) regions : Tanger Tétouan Al Hoceima, l'Oriental, Fès Meknès.

DURATION

Eight (8) years (2012-2019).

COMPONENTS OF THE PROGRAM

The project is structured around four components:

- Funding Green Morocco plan - pillar II projects in the three regions;
- Transverse and pilot actions;
- Capacity Building and training;
- Monitoring & Evaluation.
